*Greetings Microscopy and  
Microanalysis Colleagues!*

Plan now to attend the largest scientific and equipment meeting dedicated solely to microscopy and microanalysis in beautiful Portland, Oregon.

From start to end, the meeting will be packed with short courses, tutorials, workshops, and **120+** exhibitors with the latest technologies, all anchored by **1000+** scientific plenary, platform and poster presentations.

Meeting travel awards are available for students, post-docs and technologists!

As always, Society members will receive reduced registration rates. Visit the society websites for detailed membership information.

Sincerely,

**M&M 2015 Executive Program Committee  
Program Chair and Co-Chairs**

Mark Sanders, Joe Michael,  
Donovan Leonard and  
James Martinez
