# EXHIBITING OPPORTUNITIES

EXHIBITS: JULY 24–27, 2023

MINNEAPOLIS CONVENTION CENTER

# YOU'RE INVITED TO EXHIBIT!

M&M is the annual meeting of the Microscopy Society of America and Microanalysis Society bringing together scientists, technologists and researchers for education, networking and the largest annual microscopy exhibition.

M&M drives traffic to the exhibit hall with scientific poster presentations, poster awards and vendor tutorials. Attendees visit the exhibit hall for a hands-on look at the latest microscopy instrumentation and accessories and participate in live demonstrations. Attendees look to the exhibitors to stay abreast of the latest technologies and development in the techniques and applications of all areas of microscopy and microanalysis.

## PASSPORT TO PRIZES

**\$600 investment:** Passport to Prizes is a fun traffic-building game popular among M&M attendees. Your company name and booth number are printed in a "passport" given to attendees with their registration materials. Attendees must visit all participating booths to get their passport stamped, giving you the opportunity to engage with the attendees. All completed "passports" are eligible for the prize drawing taking place on the last day of exhibits. Attendees must be present to win. Availability is limited. Participating companies will be accepted on a first-come, first-served basis.

## VENDOR TUTORIALS

After the exhibit hall closes for the day, participating Exhibitors can give a presentation to interested attendees in their booth. Attendees sign up for the Vendor Tutorial that interests them.

## SUSTAINING MEMBERSHIP

Sustaining membership in the Microscopy Society of America (MSA) is the way in which members of the microscopy community, especially those with commercial concerns interested in its promotion and growth, provide special support. In addition to the broad benefit of promoting the professional organization in the microscopic imaging and analytical sciences, Sustaining Members are recognized prominently in all MSA publications and the MSA Directory. Sustaining Members are also consulted regularly for advice on relevant aspects of the Society's operations. For more information and a complete list of benefits go to: <http://www.microscopy.org/membership/benefits.cfm>
